“ *Chally, Carol Ann, and Randy*

*We are very sorry about the death of your mother, Aunt Alice Helen. We have a lot of good memories with our aunts, the Dolly Sisters. I also enjoyed seeing Aunt Alice Helen when we were in Carbondale (many years ago) and at the 2010 reunion in Herrick.*

*I tried to figure out a way to get to the funeral and carry out my responsibilities in Iowa City. I am teaching this summer and the 10.5 hours of driving is not something I can do very easily, so I will not be joining you tomorrow.*

*I have talked to Jim and Perry and we loved your mother and all of our aunts. We wish you comfort and peace when you remember the good times she had.*

“ *Chally, Carol Ann and Randy,  
What wonderful memories I have of your family! I trusted your parents as if they were my own....and they entrusted their children to me!  
I treasure the last visit I shared with Alice Helen and Norma Dean. They reached back in time and shared precious memories with me. I wish there was something I could do to ease your sorrow. It's very sad to lose our parents but think of the joyful reunion they are experiencing with loved ones. I am very glad you children have each other to share comfort. I miss Jack so very much.  
God bless you and your families.  
Love, Linda Kay*
