“ I remember going to visit Aunt Betty and Uncle Bill when we would come up to Pana to see my grandparents (Marcellus and Juanita) a few doors down. It was really fun when Will, Kurt, and Vince would be there to shoot fireworks in the park around the 4th. Lots of sweet memories and prayers for the family.

“ Aunt Betty was like a "second Mom" to me growing up on South Spruce Street. Living just four doors down the street from her, I was always underfoot. She was our chauffeur to school when it was raining; our family only had one vehicle, and Dad used it for work. We lived next to the golf course and I recall seeing her out there sometimes. She liked golf, but played "mostly for the exercise" she used to say. Kind and unselfish best describes my Aunt Betty. We are sorrowful, but she is rejoicing in the presence of her Lord and Savior!
