“ Cohen-although you were just 6 days old, the love your grandma Laura had for you was unquestionable. There is no joy quite like being a part of a grandma sharing her love for her new grandbaby. As soon as you were born, pictures flooded the inboxes of the "fab five. I'm so thankful to be a part of the fab 5 to see first hand the love she has for family, especially you little guy. Forever you will always hold a special part of Grandma Laura's heart.
