“ *My sincere sympathy to Colleen's daughter and family. I went to high school with Colleen and I have many fond memories of her. She was another THS class of 1970 friend who left us way too soon and we will miss her. RIP Colleen.*

“ *I am so sorry to hear of Colleen's passing. We were childhood friends for many years and she was very special to me and many others. She and her family lived on Franklin Street across from the Dickersons. Dale Dickerson was a good friend of my brother so often my brother would be at Dale's and Colleen and I would be hanging out. I remember her mother as a very nice lady. It is too bad that our class had to cancel the reunion last summer due to Covid as I was looking forward to seeing her. As I look at her picture I know I would recognize her in a minute. My deepest sympathy to her daughter and family. May she rest in peace.*
