“ Dennis was loving man that cared so much about his family and friends. He loved playing in the choir at church and loved God..I know he made my Aunt Geraldine feel better during her battle with cancer with his many visits to the hospital and nursing home. They not only grew up in the same home town but they shared the love for God ..As I was grieving in July when my Aunt had passed,he hugged me and let me know that God had plans and she would be dancing in the Heavens with her husband. Just remember he is in Heaven singing ,playing his guitar rejoicing with his wife and family. May God comfort you ..

“ Uncle Dennis you've lived your days on this Earth and now are reaping the rewards of the seeds you've seen. We love you and will miss you. We'll hold our memories of you in our hearts. I know that you've lived your life to meet our Father. Until we meet again, tell everyone I said hi.

*I loved my cousin Dennis. He was a wonderful man. I didn't see him often, but occasionally met him in a store or restaurant and we had a big hug and caught up with the news. I remember sitting next to him at Cousin Dick's funeral in Peoria awhile back. He was always there.
