“ Rest in peace, Dennis G. Redman! I just read a quote that resounded with the character of this kind and considerate man; "You can tell a lot about a man by the way he treats those who can do nothing for him."

Thank you Dennis for the kindness that you showed to the residents entrusted to our care. It was many years ago, but is still fresh in my mind. And thank you for the, "precious memories" of your compassion that you "left" in my care. God bless your legacy and the precious family that you left behind.
