I enjoyed getting to know you better & better all the time. Loved your smiling face, always full of joy. We all enjoyed ourselves playing games when Jan & I was over at your place. You will be sadly missed by so many friends & family, but now you're in Heaven above, showing all the people how to dance the Polk-a.

My thoughts and prayers goes out to the entire Hadowski Family. I met Ferd while working at the former WXKO FM in Pana and thru one of my best friend, Kevin Clutter. He sure loved his polka. Whenever I disc jockeyed somewhere in Pana and knew that he was going to be there I knew I had to have Polka on hand for him. He taught me a lot about the music. Our loss and heavens gain. Look out heaven, here comes the king of Polka. LOL Great family and I grieve with you. I pray for strength and peace for the entire family! Thanks for the many memories!

Grandpa.... You are a big inspiration in my life. I cherish every moment we spend together. We have had some of the best of times. You have given me great memories that I will hold in my heart forever!!!! You make me laugh and smile. You've always been there with arms wide open giving big hugs and kisses, always excited to see me!

I love your sense of humor, always joking around, burping belly button, knocking legs behind a person, chin down finger up nose, eyes crossed hat on funny just anything to make me laugh, you are right up there with Red Skeleton, whom I know like and you mimic very well!!

I can never get enough of hearing you speak Slovak, again you are so Awe Inspiring! Dobre

You have the warmest heart of any man or person I've ever known.

You give and never take, God will give you great reward you for this!

“ *It seems like only yesterday
Our lives were just beginning.
Your love for us never failed,
Our hearts continually mending.*

*It is strange to watch the time fly
Before our very eyes,
Which reminds me of the blessing,
That we have you in our lives.*

*To have yet to feel the touch
That's as gentle as your hand
The closeness of our family
One could never understand.*

*As each of our lives
Continue to change,
Reflections of your love
In each of us remains.*

*You have pointed out the path
And led us along the way;
The wisdom you have planted,
We each still hold today.*

*You sheltered us through childhood
And saw us through today,
Taught us of the Lord above,
About faith, and how to pray.*

*One day we'll all be in heaven
Dancing on the throne,
Praising God for giving us
A family like we've never known.*

No matter where our lives may go,

*We will trust the Lord above
And through it all always thank him for our grandparents love.*
