“ I had the pleasure of meeting Jeff & Sheila just a little over a year ago. We were neighbors and quickly became good friends. I happened to be going thru some tough times in the first few months after meeting the Nash's and both Jeff and Sheila were there for me as if we had been acquainted for many years as friends. Throughout the past year I came to know them both a little better and we had some good times together. Jeff was one of the most generous guys we knew; always offered help without hesitation whenever he could. My husband and I came to appreciate that and the friend we had in Jeff. He will be remembered and missed for a long time to come. Our thoughts and prayers go out to Sheila and the rest of Jeff's family and friends.
