“ Our deepest sympathy to Joyce, Dale & family & Jason & family. First; boys, your Dad was like a brother to us who always treated us with the upmost respect and had us in stiches so many times, who loved you both so much and was so proud of both of you. Joyce (our Sister) our hearts are breaking that we couldn't be there for all of you in this very diffcult time, but, always remember this, we Loved that Mr. Corley who always called me SIS, who shared his stories over the years and let us share those baby calves, who always welcomed us into his home. So many good, happy, loving thoughts which we will always hold in our hearts. Joyce I know your heart is breaking, but you were the BEST wife, just always remember, he will always LOVE you and will be waiting with open arms. May he rest in Peace.

“ It was always fun to meet with Jerry and he would always honk his air horn from his truck when we waved. He would always wave big when outside at his house when we drove by as well. We should all follow that example. Miss seeing him.
