“ I had not seen or talked with Joe for quite a few years, now, other than perhaps a chance meeting in Pana when back to visit my wife's family (I married Jan Kolesar, daughter of Ferd and Magee). Years ago, when we would fly down (still do, but rarely) Joe always extended an invitation to land at his airstrip. I would always call ahead to let him know, and a good thing I did. I told him we were coming down in the C-170 and he said "...you're welcome to come down, but good luck finding the strip as we plowed it under last year." We are coming down next weekend and I hoped to talk with Joe as I always wondered what happened to the Pana airport. I'll miss that last conversation. Our condolences to the family. “ Our deepest sympathy to all the family. There are many great memories....square dancing, the furniture store, and just seeing you at church and so many other places. Visiting with both of you, Lucille, was always enjoyable. We'll miss seeing Joe. May you find comfort in believing that the brightness of a life well lived continues to shine. You all will be in our thoughts and prayers.

“ *It is with a heavy heart I write this. Joe was a great friend to my father who passed away in 2010. Cars were a great thing that sealed their friendship. To see Joe & Lucille was always a great treasure.*

Ralph truly enjoyed them thru mutual friend & favorite blacksmith Dean Coonrod who has also passed.

I also send condolences from my mother who is 91, in a nursing home and still ask about Joe & Lucille.

God Bless Lucille and her family.

“ Mrs. Tex, Nick and Mike ~ I'm so sorry for your loss. I was just thinking of your family the other day when I contacted Nick after seeing Mike's photo for his PHS class reunion. When I was in PHS and dating Jim Burnett, we accompanied the Tex family to many square dances. Nick also gave me my first airplane ride and it was unforgettable. You have a wonderful family. Take care ~ prayers and many blessings for your family.
