“ We are here to praise your life

Furthermore, the proportion of its value

Furthermore, each and every life you contacted

While you were on this planet.

We wish to offer our final appreciation.

That is the reason we as a whole are here,

To thank you for your fellowship

And every one of the recollections we hold dear.

It's anything but an advantage to have known you.

We were family, not simply companions,

Furthermore, we will convey you in soul

Until we get together indeed.

“ *This is Dallis Prince. Robin, if you ever read this then please know how sorry I am that Posh had to go so early and that you are left here to live without him. You loved him more than life itself, and I remember from talks we had that he loved you so much for being the mom that you were. Every time I think about my separation from your family I regret the stupid choices of those days, because each of you always treated me like another member, and I was only your son's best friend through our adolescence. I'm sorry for violating Justin's trust that year. I know it's no excuse but please realize that I was under the influence of Xanax when I robbed him and never before the few moments prior to committing that act had I ever had a thought about hurting any member of your family for any gain. I've hurt a lot of people because of that drug, including myself and my own family. I ask you, Robin, to please find in your heart some way to forgive me for my past offense against your family. I got out of prison back in March, after doing 21 months for auto-theft and escape from confinement; before that I had served a two year and an eighteen month sentence, separate from each other, for felonies committed while on Xanax. My debt to society is paid as long as I never use those pills again, but my debt to you is left unknown. Will you please call me some day if it's not too much to ask. Posh and I missed each other by just two hours in 2013 when I stopped in Tennessee for a few days. I regret not turning around and meeting up with him just one last time. I'm so damn sorry for your pain, Robin. 918-703-8308 R.I.P. Joshua A. Edwards, Sr.*
