“ I would like to offer my sincere condolences to all of you. Those we hold dear never truly leave us. They live on in the kindness they showed, the comfort they shared and the love they brought into our lives. May the healing touch of time ease the sorrow you bear now and the memories that you all cherish give you comfort, courage, peace and the strength to move on as you all return to life's routine. May you all continue to feel comforted by the love and support of family and friends.

DEATH leaves a heartache no one can heal.... LOVE leaves a memory no one can steal.
