“ I loved the years he was our bus driver. We would yell from the backseats to fly, faster, fly Leroy!!!! And going up & down our country road was the bomb!!! There were 3 or 4 good size hills and our butts would leave the seats & we would scream & laugh & clap. Thanks Leroy, GOD BLESS YOU & YOUR FAMILY!!!! 🙏🙏

“ Leroy always had a good word, a good smile and a good story to make everyone have a better day. Herrick just lost a piece of their heart.

“ Leroy drove our school bus for several years before leaving and going to work for Keller Oil Company in Effingham and then he delivered gas and oil to us at the farm. His son Bradley and I were in the same class and he was a wonderful person as well as a good friend all these years.

Those we hold dear never truly leave us. They live on in the kindness they showed, the comfort they shared and the love they brought into our lives. May the healing touch of time ease the sorrow you bear now and the memories that you all cherish give you comfort, courage, peace and the strength to move on as you all return to life's routine. May you all continue to feel comforted by the love and support of family and friends.

“ *Leroy will be greatly missed.. He was my bus driver for years when I was growing up and became my husband Jim and I pew buddy at Lighthouse church. He was like a dad to my husband and I and was there for me with the loss of my dad and Mother... He was a wonderful pillar of the church. Will be praying for peace and comfort during this time of loss.*
