“ There really aren't words to express how much Lucille and Joe helped to shape our lives as teenagers. I was one of Nick's best friends, so I had an "in" to Lucille and Joe. They had amazing parties -- and they were so patient as they helped us learn to square dance! They were such kind and generous people. That came at a time when I really needed that support. I will always be grateful to them, and especially to Lucille. To Nick, Mike and their families I send my deepest condolences. Lucille was a true lady, and a class act.

“ *I send special thoughts and prayers to the Tex family, as I enjoy many fond memories of Mr. & Mrs. Tex --from my days in kindergarten through high school. . . I will always appreciate their caring and encouragement, especially during my awkward teen years. . . They both were great role models, and I'm grateful for the fun times they provided for us "kids".*

“ *Lucille and Joe were very involved with all us "kids" (friends of Mike and Nick) when I was in grade school and as a teenager. I was one of the beneficiaries of the many parties at their home (New Years, birthdays, etc.) and was a member of the square dance club that they founded. I'll never forget how gracious and thoughtful they were. They were very much in love, and now they are together again. Rest in peace, Mrs. Tex, and my condolences to your family.*
