“ Tom and I enjoyed your visits to MN and fishing with you. You never did catch the "big one" though. You always reminded me of my own grandma. We have many memories of you on the dock with a fishing pole, and farmers hat. Rest in peace.

“ Margie and brother Milt had a grand visit a few years back. When Milt said he was there to give her trouble for a few days she said, "bring it on, bring it on," and they had a good laugh. And that is how they approached life's joys and challenges. Their great resiliency carried them to 2010, to ages 89 and 93. We will always have fond memories of summer visits with good food, fun and games, and Margie's determination to reel in a "big one" at Lake Shetek.
