“ Dear Jack & Donna
Rick, Cheryl and Family
Debbie, Dan and Family,

Extending our deepest sympathy, for all of Mark's family in your great loss. He has been called home by our Lord. Our Hearts Are Very Heavy with disbelief Mark's really gone. Mark's Family, Friends and the Pana Community lost a great man. A "gentle giant" who would do anything for anyone. Mark loved his family and "buddies" dearly. He touched so many lives with his big smile and positive attitude. Words seem inadequate to express the sadness our family feels. Mark was a Best Friend of thirty years. He was ALWAYS soo good to our family. He loved watching our daughter, Bailey play ball. We have so many wonderful memories with Mark that we will hold tight forever for comfort. "I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love." Take comfort in the love of friends and family. "He is not alone...and neither are you." Please know we are here for you ALWAYS. Mark may be gone from his earthly life, but he will NEVER be forgotten. Thanks For The Many AWESOME MEMORIES. You Are Greatly Missed Best Friend. To Your Family, You Have our Utmost Condolences. R.I.P. Mark Dixon...A Great Man Gone Far Too Young...Love You, Buddy

*Much Love,
Mike, Tonya, Bailey and Connor*

“ We have lost a wonderful, thoughtful, kind man who had a heart bigger than the moon. To Mark's family Paul and I are so sad that Mark passed so early in life, he was a great man, coach and friend to everyone. He truly touched our family, when we were struggling and Mark learned of it, he reached out and gave us words of encouragement that I will forever remember and be thankful for. I hope that I can pass it on someday, I know it made a huge impact on our family. Mark continued to reach out to all the kids he coached or just knew them or their family, we come from a small town and Mark was the neighbor who always shared a kind conversation with you.
