“ Mickey was so good to my Dad, who was also a Veteran and member of the Legion post. When Dad went into rehab, Mickey came to Decatur to visit him. When Dad came back to Pana and went into Hospice, Mickey was part of the group who welcomed him home and planned his welcoming party. And Mickey was there at Dad's funeral to pay his respects, and was so good to our family at the Memorial Day Veteran's event in Kitchell Park that year. He became a good friend. He was a good man, and I will miss him!

“ I am so very thankful to have known Mickey. My care and prayers for all of his dear ones. I have admired him for a long time for his love for our country. His part in the services at our local park has been inspiring to me. Our conversations have been uplifting, too. I have learned a lot about the Military from Mickey.

“ I was so sad to see this. I remember when he joined the Pana United Methodist Church. He always sat up front...in my mind, it was to show his support. He was such a proud and dedicated veteran. He did so much for the veterans in this community and the surrounding communities. He helped so many others in town. He will be greatly missed!
