“ Lori, Liz, Carol, Joe, Ellen and John, my deepest sympathy to all of you on the loss of your mother. She was such a wonderful woman, so loving, giving, patient and kind. I'll always remember all the fun we had in 4H. I remember being sequestered at the farm until I finished my latch hook project for the fair! And it's always been nice to visit with her after mass on Sundays when I was home. She will always hold a special place in my heart. And I will keep her and all of you in my thoughts and prayers. God Bless.

*Dear Lori, Liz, John and All,*

*I know it has been many years since we have seen each other, but each one of you are in my thoughts and prayers. We were all close in grade school and your mother and father were some of the best parents. I always enjoyed spending time with your family. Take care,*
