“ This man is in a lot of my fun childhood memories I was in his neck of the woods all the time with Kelsey growing up. From wrecking his ruckus to him visiting us (Em, Kels & me) camping at Ramsey Lake in "his new Faded Glories" this man is imprinted in my heart forever. I just loved him. I have to say if this man didn't make you smile, laugh or make his presence known by announcing you, "There's ol Mindy" or "How's ol Mindy" you didn't live. Grandpa Durb was a one of a kind man who meant so much to me. Thanks for all the great memories and laughs you will be missed but never forgotten! Lots of love to Sandy and all of his family!

“ *I'm going to miss S.L. in so many ways. Even though we haven't known each other all that long he left a lasting impression. I will miss talking to him on the phone, and spending time with him at pigeon functions. I will miss his humor the most. I was never around him but what he had me laughing. He was a one of a kind and there will never be another like him. If there is I hope I have the honor of knowing them also. Rest easy ole friend until we meet again. Constant prayers for Sandy and the family.*

“ *SL's passing is an enormous loss to the Birmingham Roller community. A lot of fanciers benefited tremendously from his guidance, selfless contribution, and mentorship. He was passionate about the hobby and touched a lot of lives, and was undeniably a very unique individual who will surely and sadly be missed. Those who knew him personally will fondly remember S.L. for his goodness, purpose, and service to others and our thoughts and prayers are extended to his family members during this time of reflection and mourning. Rest in Peace, S.L.*
