DC

“ I didn't meet you till i was 18, because my dad, your son Larry Dean Cook and you had a falling out. You and my dad looked so much alike, all the way down to the beard, the hat and the way you sat. Seeing that after my father's passing in 90 was so surreal. I wish we could of had a chance to know one another. RIP and my condolences to the family I never knew. V/R - Derek U Cook of Daytona Beach FL
