“ *Roger and Betty,  
You have my deepest sympathy at the loss of your mother. I will  
always remember her kindness to me during the loss of my parents.  
We have good memories .....with each set of parents enjoying the  
friendship of the other! The last time I spoke with her, we had a nice  
phone visit. I still heard the care and friendship in her voice. She will  
be missed.  
May God bless you during this time of sadness.
