“ Mr. Sarver taught at Farina-LaGrove with our Dad, Robert Young, many years ago. We have only the fondest of memories of him. What I recall most about him was his cool, calm, and collected way he coached. He never showed anger, that I recall. Our Dad admired that about him...his quiet spirit. We lost Dad in 1983, and Mom passed just this last Friday, January 25, 2019. Your family is in our prayers.

“ My name is Myra (Seaton) Mathias. He taught biology and was my PE coach. I graduated 1968 from Herrick. His nickname for me was Termite. He went to show a film in class on insects and before it started he said I don't want to offend anyone from this film. Really enjoyed as an instructor. He was one on my favorites.

“ Bill taught me math at Buckley-Ioda HS from 1983-1987 and I appreciate his tenacity-he had a tough crowd in our small classes, and got us to learn. Great guy!

“ This brought a tear, actually a few. I have very fond memories of Mr. Sarver and Coach Sarver. He was very passionate about coaching and had a lot of patience in Math class. When I remember B-L, Mr. Sarver is a big part of my high school memories.

“ *Sad news. I think of him from time to time and it brings a smile. The B-L/PBL days were some of the best! Thanks for being more than a math teacher, Mr. Sarver—the days spent on your basketball and volleyball courts were awesome!*
